**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose to leave my cable provider for Sonic, an ISP that is faster and cheaper than what i had before. I oppose rate hikes that will increase the cost of telephone service. I run a consultancy out of my home and it requires i have reliable and affordable internet service. I also live in a part of California that is prone to both earthquakes and wildfire so having redundant communications services in the form of a land line as well as cellular is really important to me. I firmly oppose the USTelecom petition.

Thank you very much.
